

PRESS RELEASE – RESIGNATION OF KEVIN GREENWOOD

"The Port of Newport has accepted the resignation of its General Manager Kevin Greenwood. The Port of Newport is appreciative of Kevin Greenwood's efforts in guiding the Port at a time when it is facing challenging issues. His tenure at the Port is notable for the many relationships, local and otherwise, he has fostered. The recent election of two new Port Commissioners signified a change in direction for the Port and as such the commission felt a change in Port leadership was also necessary."
